

Please purchase the following materials for your child to enable them to engage in learning in 2023.

Notes:

- It is important that you purchase the correct lines for your child to write on. Lines increase in complexity as your child learns to write on them over a number of years.
- All materials are to be named. Books may be covered.
- If your child requires additional supplies throughout the year, the class teacher will notify you in writing, so you can replenish supplies.
- We encourage you to reuse items in good condition from the previous year.
- **No chair bags.**
- Tieri State School will provide class sets of coloured pencils, coloured markers and crayons. You do not need to purchase these for your child.
