

Parent and Community Engagement Framework

Everyone, Every day, Striving for Success

2020-2024

At Tieri State School, our goal every day is to ensure that Every Student is Succeeding.

We believe that to achieve this goal with sustainability we need to engage powerful and positive partnerships with our students, parents/ carers and our community.

The saying that 'it takes a village to raise a child' is true. It is also true that it takes a village to support student learning and wellbeing.
