Tieri State School: Issue 1 Term 4, 2023

## Star Students

STAR award at the end of the year. A STAR student displays the following qualities:

**S:** Shares care, compassion and kindness to everyone

**T:** Treats others as they wish to be treated

**A:** Attitude of gratitude

**R:** Respects Students, staff, families, volunteers and visitors

## Affirmations and Celebrations

In 2023, we will continue to affirm our students when they exceed our expectations. These affirmations will help propel us towards celebrating our emotional regulation, positive behaviours and inclusive culture.

As a whole school, we are working towards our next goal of 10 minutes of extra play time.

Dear Families,

As the weather is getting hotter it is important that students remember their hat and drink bottles. Students are encouraged throughout the day to get a drink of water. Student will still be participating in HPE as part of the Australian Curriculum and are encouraged to drink plenty of water and to take rest breaks throughout the lesson. The air conditioners are running full steam ahead during the day while students are working in classrooms.

Nurse Sue has been working with our wonderful 5/6 classes delivering the HRE lessons. Student received a take home hygiene pack on Wednesday. A big shout out to Glencore and Andy the Pharmacist for their support and contribution.

We had another visit from Sean on Monday. The students had a great time problem solving and working as a team on various activities. Great work year 5/6.

## Water bottle and Hats

As we head into warmer weather, remind students to bring a water bottle and their school bucket hat everyday. Students are frequently reminded to get a drink throughout the day.

## Swimming

Students have had a great start to swimming with students all ready for their swimming session. Just a reminder to ensure students come prepared with all their things needed for swimming. Students with long hair need to have this tied back for their safety while in the pool.
